Welcome to the Walt Disney World Swan and Dolphin Hotel

You have the opportunity to participate in a test of **Disney FastPass+** service, the next generation of **FASTPASS**® Service. To take part in this test, you will need to purchase valid *Walt Disney World*® Theme Park admission and have a valid resort ID (room key card) for the Walt Disney World Swan and Dolphin Hotel for stays between November 4, 2013 and January 12, 2014.

Ready to get started?

If you choose to participate in this test, Disney Cast Members will be available to welcome you and help you make your **Disney FastPass+** selections in designated areas within the service centers at each Theme Park. Locations are noted on the back of this page.

Please be ready to present your valid resort ID and ticket media. If you want to make the same **Disney FastPass+** selections for everyone in your party, be sure everyone is present with their valid resort IDs and tickets.

You can make **Disney FastPass+** selections for certain attractions and entertainment experiences for one Theme Park per day.*

Throughout the day, you can visit a **Disney FastPass+** kiosk to view or modify your **Disney FastPass+** selections. To view or modify selections on your own mobile device, register or log into the **My Disney Experience** app or website.

*The number of **Disney FastPass+** selections you can make and available arrival windows are limited. Valid Theme Park admission and resort ID required.
